

Green Still Means Go: BMW Hungary Joins Forces with Four Seasons Hotel Gresham Palace Budapest

Sustainability meets luxury hospitality service

May 31, 2017, Budapest, Hungary

[BMW Hungary](#) has partnered with [Four Seasons Hotel Gresham Palace Budapest](#) to provide a complimentary new service to Hotel guests in addition to its existing car services with the prestigious brand and Royal Limousine, which provides a tailored fleet for the Hotel.

Now, guests of Four Seasons are pampered as they support sustainability with the all-electric BMW i3 house car. This complimentary car service is upon availability and without pre-reservation to take guests to city centre locations.

Responsibility and riding pleasure complement one another to perfection.
