

## New Kastaway Smash Marks Opening of Kastaway Beach Bar at Four Seasons Resort Nevis

*February 1, 2017, Nevis, West Indies*

To mark the grand opening of [Kastaway](#), the newest beach bar at [Four Seasons Resort Nevis](#), Director of Food and Beverage [Max Loayza](#) combined the perfect blend of light, dark, gold and coconut rum with fresh pineapple and tamarind juice to create a deliciously sweet and oh-so-refreshing rum punch called the Kastaway Smash.

"The Kastaway Smash has become a very popular drink due to its unique flavours and magical powers to help put everyone in a relaxing Caribbean mood," says Max. This signature drink is now available at Kastaway Beach Bar, and Max is making it easy for everyone to recreate this refreshing rum punch at home.

### **Kastaway Smash at Four Seasons Resort Nevis**

- ½ ounce of light rum
- ½ ounce of dark rum

- ½ ounce of gold rum
- ½ ounces of coconut rum
- 4 ounces of pineapple juice
- 2 ounces of tamarind concentrated juice

Simply choose a favourite light, dark, gold and coconut rum - Max recommends using Bacardi for the gold and Cruzan for the light, dark and coconut rums. Then, add fresh pineapple and tamarind juice for a sweet and tart flavour. Mix all the ingredients in a shaker with ice and serve with a wedge of lime or pineapple. When enjoying a Kastaway Smash at the Resort, combine it with one of the bar's signature dishes including fresh sushi, ceviche, salads, and wraps. Kastaway focuses on locally caught seafood and locally sourced herbs and spices in every dish to create an authentic Caribbean culinary experience.
