

## Take a Spin in a Luxurious Mercedes-Benz House Car

*September 21, 2016, Vail, U.S.A.*

Part of staying at Four Seasons is having everything taken care of, and transportation is no different. Guests staying at [Four Seasons Resort and Residences Vail](#) can enjoy complimentary use of one of six Mercedes-Benz SUV vehicles at the property's disposal. Whether leaf peeping during fall as the leaves change to driving to Piney Lake for a hike or visiting a sister resort town, this complimentary amenity is available on a first come, first serve basis. If driving isn't on the agenda this time, then allow the Guest Services Team to whisk you around town, complimentary too of course.
