

# Enjoy Tropical Island Romance with the New Anguilla Love Package at Four Seasons Resort and Residences Anguilla

*June 22, 2017, Anguilla, West Indies*

[Four Seasons Resort and Residences Anguilla](#) is an esteemed Caribbean resort known as an ideal [destination wedding and honeymoon](#) location. Set atop a bluff overlooking two stunning turquoise bays and sandy white [beaches](#), couples find myriad reasons to celebrate romantic milestones here, including anniversaries, honeymoons and simply being in love.

Unlike many island destinations, Anguilla doesn't have the hustle and bustle of cruise ships and busy nightlife. Instead, the island focuses on natural beauty and exceptional cuisine. With more than 33 beaches and 100 restaurants on the 16-mile (26 kilometre) long [island of Anguilla](#), couples find plenty of time for simple romance for those seeking a sun-filled, no hassle getaway. Couples enjoy choice of luxurious

accommodations and a variety of water and land activities, plus dining options and a fabulous Spa to create the perfect romantic escapade.

The new two-night [Anguilla Love](#) package includes:

- Choice of a Deluxe Studio or Rooftop Suite
- Daily breakfast for two
- Daily USD 200 Resort credit to use to create their ideal vacation

Guest may choose to use the USD 200 credit toward food and beverage, Spa or resort recreation to create an [action-packed adventure](#) including a kayaking, guided snorkeling excursion and romantic rooftop dinner; or they may plan for breakfast in bed, pampering at [the Spa](#), and cocktails by the pool for a more relaxing experience.

The package starts at USD 550 per night.
