

Sip, Savour and Groom with Whiskey Wednesdays at the Nail Bar

February 19, 2016, Hong Kong, China

After surviving Monday's blue and Tuesday's grey, you might find yourself in need of a mid-week pick-me-up. Enter the [Nail Bar](#) at [Four Seasons Hotel Hong Kong](#), where relaxation and luxury now meet the world's finest spirits with **Whiskey Wednesdays**. Watch the tension melt away sipping your favourite tipples while our therapists breathe new life into your hands and feet.

Every Wednesday, with the purchase [any hand and foot treatment](#), you will get a complimentary whiskey tasting. Catering up to only five guests at a time, you will be treated with your own personal window overseeing the sparkling view of Victoria Harbour. Sink into a leather massage chair to unwind solo or bring along your friends for an indulgent new twist on after-work drinks.

The Nail Bar debuts the first theme, 18 & Single, on February 24, 2016, featuring a flight of 18 year old single malt whiskies handpicked by Tommy Kong, Beverage Manager of the Hotel. Accompanied by a digital step-by-step tasting guide, Kong makes sure every guest knows how to fully appreciate the “water of life.” The theme changes every three weeks, allowing you to swirl and enjoy a different line up of whiskey just in time for your next manicure.

Get [perfectly manicured hands or feet](#) at the Nail Bar on Wednesdays and wind up the day with a glass of whiskey. If polish is not your taste, opt for the deeply restorative Pure Therapy for Your Hands or Feet, or Reflexology Remedy. Wednesdays just got a lot more fun.

Whiskey Wednesday at The Nail Bar at Four Seasons Hotel Hong Kong runs from 5:00 to 9:00 pm every Wednesday. Treatments are priced from HKD 700 on Wednesdays.
